Who we serve

Services are for all adults with a challenged ability to enable them to more fully participate and contribute in their local community.

Benefits:

Families and carers are able to attend to their daily commitments without concern whilst the person who is using the service is enjoying new experiences, more independence, friendships, and achievements.

LFE welcomes all interested people to contact us and discuss their specific needs.

Choices

LFE services support clients to access a range of purposeful activities that reflect their choices, needs, goals and life stage.

Lunch at the club

Clients with higher support needs receive more intensive assistance in order to participate in their chosen activities with achievement and satisfaction

Cooking

Day activities

Activities

Recreational, social and prevocational activities, developing life skills, and community involvement are some of the experiences chosen by clients.

Cooking a BBQ

Computer skills

Sport skills

RDA

Fishing

Indoor bowls

All clients indicate and design their own service plan with input from family and others if desired, to meet their own individual needs.
